

HAGE ELEMENTARY COLLECTION PROGRAMS

2009-2010

My name is Wendy Merila and I am coordinating Four Collection Programs; Box Tops for Education, Labels for Education UPC's, Empty Drink Pouches and Inkjet Cartridges for Hage Elementary. I am real excited for these programs and the potential for earning funds for our school. I saw first hand the potential of fundraising for our school when I finished up last year's BOX TOP counts and it was over \$1,000. A great source of money can be earned by our school by just taking time to collect and return the following items to school with your student.

In an effort to reduce paper usage, I have not listed all of the participating items for the Labels for Education and Box Tops for Education Program.

Please visit their specific websites listed below or our website
www.HagePTA.com

If you have any questions please contact me by email at Merila71@aol.com.
