Transform Students' Academic Achievement at School and Home

"ReCentering Parenting" is a six-week course that teaches parents, students, guardians and grandparents power tools and real time strategies for transforming students' academic and citizenship performance. You will learn exactly what it takes to create success in students' primary, secondary, post secondary education, and beyond. Thousands of parents and students are using this knowledge to create improvements in every aspect of their lives.

- ➡ **Session One: Student and Parent Performance Transformation**
- ➡ **Session Two: Communication and Three Centered Literacy Development**
- ➡ **Session Three: Dealing with Difficult Children**
- ➡ **Session Four: The Power of Student and Parent Choice Making**
