

HAGE ELEMENTARY

TRAFFIC SAFETY TEAM 2009

HAGE DADS DIVISION

I'm a "Hage Dad" and I value the safety of our kids in the morning and afternoons during drop-off and pick-up times. I'm not scared of cars, I'm not intimidated by the idea of wearing a bright yellow vest and I'm happy to smile and wave at my fellow Hage Parents while I step up and do what any manly man with courage would do: I will volunteer my time in the morning/afternoon to serve as a member of the elite *Traffic Safety Team Strike Force Alpha!* Sun, rain, wind, tornadoes... these mean nothing to me when the safety of our kids is involved!

I will volunteer my time to serve as:
