

WANT TO ORDER YOUR YEARBOOK? Here's how you get started:

1. Go to <http://www.treering.com>
2. Click REGISTER, enter school code: **101285097800826**
3. Select your roll- (PARENT), enter required info, and create your account. Write down your info so you don't forget it!
4. Under "Claim your students" click STUDENT NOT LISTED. For privacy reasons we did not post the Hage student body roster on the site. You need to manually add their name.
5. Enter student info, add additional students if you're buying books for multiple kids.
6. Purchase your book by entering credit card info.
7. If you're ready, start your custom pages or add photos to the site. Or get organized and come back another time when you're ready to upload and get started. Remember, if you choose **not** to do custom pages then a two-page photo collage will be substituted in its place. The deadline to complete your order AND your custom pages is April 13th.
8. If you have questions please direct them to Amy Goldstein, yearbook chairperson at hageyearbook@yahoo.com.
9. Books will be distributed the last week of school, starting with 5th grade first. If you anticipate moving please email Amy at the email address above and we can get your info and ship you your book. Since this company prints-on-demand and only prints the amount of books ordered online, NO EXTRA YEARBOOKS WILL BE AVAILABLE THIS YEAR FOR PURCHASE AT THE END OF THE YEAR. However, TreeRing is able to reprint a book at any time so books can be ordered after the deadline, however they won't arrive by the end of school. Avoid this situation and order your copy TODAY! 😊
