

Hage Elementary

Attention Parents

Please take a look at our new Donation Gift Catalog. For each donation you make, choose from at least 150 great gift items for your enjoyment or as a gift for someone else. Please note the Donation Range beside each item. The more you give for each item, the more our kids benefit! We receive 100% of your donation after cost.

Your donation will be used for various educational projects and activities that will directly benefit the students!

Please show this Donation Gift Catalog to your family, friends, neighbors and co-workers and ask them if they would consider making a donation. Family & friends that live out of the area may place donations online at www.sigfund.com. All donations placed over the internet will be credited to your student and will go towards their order! Be sure to enter in student's name, school name, city and state for them to receive credit.
